

Sarthak Aggarwal

Profile

Dynamic and goal-oriented Computer Science & Engineering student with hands-on experience in data analytics, web development, and AutoCAD design. Skilled in Python, Java, HTML, CSS, and JavaScript. Proficient in creating innovative solutions and leveraging modern tools like Tableau and SQL. Strong passion for AI, data analysis, and problem-solving. Committed to delivering impactful results under tight deadlines.

Employment History

Autocad Designer at Quality Conveyors, Faridabad

May 2023 — Present

- Created precise and detailed CAD drawings for laser cutting and engraving machines, ensuring millimeter-level accuracy.
- Designed 2D and 3D models while interpreting technical specifications to meet client requirements.
- Played a key role in meeting strict project deadlines, contributing to efficient project execution.
- This is a self-placed, part-time role, where I independently secured the position and managed the responsibilities effectively.

Web Development Intern at OctaNet Services Pvt Ltd

June 2024 — July 2024

- Designed and developed responsive webpages using HTML, CSS, and JavaScript to enhance user experience and engagement.
- Collaborated with development team to integrate front-end elements, ensuring smooth functionality and visually appealing designs.
- Gained exposure to industry best practices for website development and improved proficiency in modern web technologies.
